

Ace Ace of Pentacles

Minor Arcana · Pentacles

prosperity · opportunity · seed · manifestation

A golden coin offered by a divine hand. The Ace of Pentacles signals a tangible new opportunity — financial, career, or material growth.

Upright

A new job, investment, financial opportunity, or the seed of material abundance. Ground the vision with practical steps.

Reversed

Missed opportunity, financial delays, or a promising start that lacks follow-through. The seed needs planting.

Minor Arcana · 14 Cards

In love, the Ace of Pentacles signals a stable, grounded beginning — a relationship built on shared values, practical compatibility, and the slow, steady growth of real trust.

In Career

For career, this card marks a new job offer, investment opportunity, raise, or the seed of a business venture worth nurturing patiently.

Two Two of Pentacles

Minor Arcana · Pentacles

balance · adaptability · juggling · resources

Juggling two coins with an infinity loop. The Two of Pentacles is about balance — managing multiple priorities without dropping what matters.

Upright

Multitasking, financial balancing, and adapting to changing circumstances. Stay flexible, but know your limits.

Reversed

Overwhelm, financial disorganization, or dropping priorities because you took on too much at once.

In Love

In love, the Two of Pentacles suggests juggling relationship priorities with other demands — work, family, finances. Flexibility keeps the balance; rigidity can tip it.

In Career

For career, this card supports multitasking, adapting to change, and finding creative ways to manage competing deadlines and priorities.

Three Three of Pentacles

Minor Arcana · Pentacles

teamwork · skill · collaboration · craft

A craftsman at work in a cathedral. The Three of Pentacles rewards skilled collaboration — the quality that emerges when capable people work together.

Upright

Teamwork, mastery, apprenticeship, and the pride of skilled work. Your contribution is valued in a larger project.

Reversed

Poor teamwork, lack of recognition, or cutting corners that undermine quality. Skill without collaboration limits reach.

In Love

In love, the Three of Pentacles signals a relationship built through mutual effort — both partners contributing skills, listening, and building something greater together.

In Career

For career, this card favors teamwork, mentorship, skilled collaboration, and the pride of contributing your expertise to a larger project.

Four Four of Pentacles

Minor Arcana · Pentacles

security · control · holding · stability

Clutching four coins tightly to the chest. The Four of Pentacles speaks to financial security, material control, and the fear of letting go.

Upright

Saving, budgeting, and building material security. Hold what you have worked for — but check whether the grip is fear or wisdom.

Reversed

Generosity opening, releasing financial anxiety, or the opposite — reckless spending and loss of control.

In Love

In love, the Four of Pentacles can indicate emotional guardedness, holding back due to past hurt, or a partner who is overly controlling with shared resources.

In Career

For career, it suggests financial caution, protecting assets, or the need to budget carefully. Hold onto what you have built — but do not let fear prevent growth.

Five Five of Pentacles

Minor Arcana · Pentacles

hardship · isolation · poverty mindset · help

Two figures in the snow outside a lit stained-glass window. The Five of Pentacles signals material hardship, exclusion, or spiritual poverty.

Upright

Financial struggle, feeling left out in the cold, or a period of scarcity. The lit window is closer than it appears — ask for help.

Reversed

Recovery from hardship, finding support, or recognizing that isolation was partly a choice. Warmth is available.

In Love

In love, the Five of Pentacles speaks to emotional or financial hardship within a relationship, feeling left out in the cold, or the shame of struggling when others seem to thrive.

In Career

For career, this card signals financial difficulty, unemployment anxiety, or feeling excluded from professional circles. Help is available — the lit window is closer than it appears.

Six Six of Pentacles

Minor Arcana · Pentacles

generosity · charity · receiving · balance

A wealthy figure distributing coins to the needy. The Six of Pentacles is the card of giving and receiving in material balance.

Upright

Generosity, charity, loans, or the flow of resources from those who have to those who need. Check the power dynamic in the exchange.

Reversed

Strings-attached generosity, debt imbalance, or the shame of needing help. True giving expects nothing in return.

In Love

In love, the Six of Pentacles speaks to the balance of giving and receiving — check whether generosity flows both ways, and whether help comes without hidden strings.

In Career

For career, this card can signal a raise, bonus, mentorship, or the importance of fair compensation and ethical resource distribution at work.

Seven Seven of Pentacles

Minor Arcana · Pentacles

patience · assessment · long-term · investment

A gardener examining a growing vine. The Seven of Pentacles asks for patience — your investment is growing, but it is not yet harvest time.

Upright

Assessing progress, waiting for results, and the willingness to nurture slow growth. Pause and evaluate before the next move.

Reversed

Impatience, wasted effort, or pulling up the vine before it bears fruit. Rushing the harvest yields nothing.

In Love

In love, the Seven of Pentacles asks for patience — a relationship growing slowly, the long game of trust-building, or assessing whether the investment of time and heart is yielding mutual growth.

In Career

For career, this card signals a moment to assess progress, evaluate ROI on a long-term project, and decide whether to keep investing or pivot.

Eight Eight of Pentacles

Minor Arcana · Pentacles

craftsmanship · diligence · skill · focus

An apprentice bent over her work, fully absorbed. The Eight of Pentacles is the card of dedicated practice and the joy of mastering a craft.

Upright

Skill development, apprenticeship, repetitive practice, and the satisfaction of steady improvement. Excellence is built one repetition at a time.

Reversed

Perfectionism, monotony, or work that feels mechanical rather than meaningful. Skill without purpose is just repetition.

In Love

In love, the Eight of Pentacles suggests showing love through consistent, practical actions — small daily efforts, learning your partner's needs, and the quiet devotion of steady care.

In Career

For career, this card supports skill development, apprenticeship, focused practice, and the satisfaction of becoming genuinely excellent at what you do.

Nine Nine of Pentacles

Minor Arcana · Pentacles

abundance · independence · luxury · reward

A woman in a lush garden with a falcon. The Nine of Pentacles signals material independence, self-sufficiency, and the pleasure of earned comfort.

Upright

Financial independence, refined taste, and the quiet confidence of someone who has built their own security. Enjoy what you have cultivated.

Reversed

Financial dependence, living beyond means, or the emptiness of wealth without purpose. The garden is beautiful — but is anyone in it with you?

In Love

In love, the Nine of Pentacles signals a period of self-sufficiency, confidence, and the quiet pleasure of being whole on your own — whether partnered or not.

In Career

For career, this card marks financial independence, professional accomplishment, and the luxury of enjoying the fruits of your labor on your own terms.

Ten Ten of Pentacles

Minor Arcana · Pentacles

wealth · legacy · family · culmination

A multi-generational household surrounded by coins. The Ten of Pentacles signals lasting wealth, family legacy, and material fulfillment across time.

Upright

Inheritance, family business, long-term financial stability, and the satisfaction of building something that outlasts you.

Reversed

Family financial conflict, inheritance disputes, or wealth that fractures rather than unites. Money amplifies what already exists.

In Love

In love, the Ten of Pentacles signals lasting commitment, family legacy, shared assets, and a relationship that builds generational wealth — financial and emotional.

In Career

For career, this card indicates long-term success, family business, inheritance of professional values, or building a career legacy that outlasts you.

Page Page of Pentacles

Minor Arcana · Pentacles

study · ambition · new skill · opportunity

A young student admiring a single coin. The Page of Pentacles brings news of a practical opportunity — education, a new job, or a skill worth building.

Upright

New financial opportunity, skill-building, studious dedication, and the first steps toward material mastery. Start small, stay consistent.

Reversed

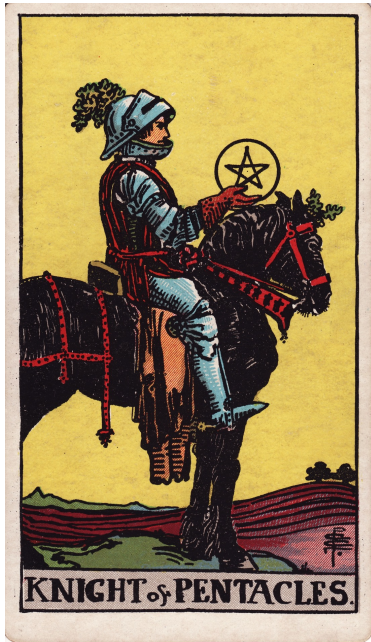

Procrastination, lack of follow-through, or chasing quick money over meaningful skill development.

In Love

In love, the Page of Pentacles suggests a slow, steady, and practical approach to romance — small consistent gestures, shared financial goals, and love that grows like a well-tended garden.

In Career

For career, this card brings news of an educational opportunity, a new skill to learn, or an entry-level position with genuine growth potential.

Knight Knight of Pentacles

Minor Arcana · Pentacles

reliability · routine · patience · duty

The steady horse of dependability. The Knight of Pentacles moves slowly but surely — reliable, methodical, and committed to the long game.

Upright

Steady progress, reliability, and the willingness to do unglamorous work that builds lasting value. Consistency wins marathons.

Reversed

Stagnation, stubborn routine, or fear of change masquerading as reliability. Steady does not mean stuck.

In Love

In love, the Knight of Pentacles signals a reliable, steady partner — not the most spontaneous romantic, but someone who shows up consistently and builds trust through action.

In Career

For career, this card supports methodical progress, routine excellence, and the kind of career growth that comes from showing up every day and doing the work well.

Queen Queen of Pentacles

Minor Arcana · Pentacles

nurture · practicality · comfort · abundance

The steward of material well-being. The Queen of Pentacles creates comfort, nourishes others, and manages resources with practical wisdom and warm generosity.

Upright

Financial security, nurturing home, practical care, and the ability to make abundance feel warm rather than cold.

Reversed

Neglecting self-care, financial codependency, or mistaking material comfort for emotional fulfillment.

In Love

In love, the Queen of Pentacles creates a warm, secure home — a nurturing partner who expresses love through practical care, comfort, and the steady cultivation of a shared life.

In Career

For career, this card signals financial acumen, practical leadership, and the ability to build abundance while genuinely caring for the people you work with.

King King of Pentacles

Minor Arcana · Pentacles

prosperity · stewardship · success · discipline

The master of material success. The King of Pentacles has built lasting wealth through patience, discipline, and steady stewardship.

Upright

Financial mastery, business success, generous leadership, and the wisdom to use abundance for lasting impact.

Reversed

Greed, materialism without meaning, or success built on exploitation. Wealth is a tool — not an identity.

In Love

In love, the King of Pentacles offers stability, generosity, and grounded commitment — a partner who has built his world and wants to share it with you, steady and secure.

In Career

For career, this is the card of the accomplished business leader, the seasoned investor, the mentor whose wealth comes from patience, discipline, and ethical stewardship.
